MESSAGE FROM:

Senate President Kathleen Puckett

The University Senate will host a breakfast for the Arizona Board of Regents on February 3, 2017. The Regents requested that the breakfast program highlight faculty research and scholarly accomplishments, and how this work enhances undergraduate student success. The Senate is looking for 15-20 faculty members who would be pleased to share their work.

 [More Info](#)

The format for participation is to have breakfast at a round table with one or more Regents, provide a short (2 minutes or less) synopsis of your research work, and then participate in an impromptu discussion with the Regents, other faculty, and guests. Please consider nominating your research work, or interesting work from your colleagues. Research, scholarly work, and programs that connect support networks for student access and success, especially for undergraduate and underserved student populations, are encouraged.
