**MESSAGE FROM:**

## Senate President Kathleen Puckett

The Senate had a busy year with many outstanding accomplishments. A few of our more notable successes were: approving an Open Access policy and constitutional revisions, appointing representatives to four Dean searches, making ACD policy recommendations, improving communication with academic and fiscal administrators, and reviewing a multitude of curricular proposals. A special thanks goes out to our Senators and the role each of you play in making ASU a better place to work, study, and live.

**More Info**

For those of you not involved with the Senate, please consider this valuable service commitment. An engaged faculty is crucial to the success of shared governance at ASU. My time as your Senate president has been very rewarding and it has been a privilege and an honor to serve. I look forward to the 2017-18 academic year which should bring continued excitement and challenges.
