# For Faculty

Site licenses for the following technologies

## Playposit

Create interactive video!  
Faculty can embed interactions, knowledge checks and more into videos they ask students to watch.

## Voicethread

VoiceThread is a free online presentation tool that allows the use multiple types of files (jpg, doc, ppt, pdt) and permits oral or written feedback from faculty and students.

## Yellowdig

Yellowdig is a third-party tool available in ASU Canvas for discussions. Members in a course interact on one board to automatically earn points for completed tasks. Instructors can provide prompts. Points may add to student grades.

# For Students

## Adobe Creative Cloud
