

Student-Faculty Policy Committee

Student-Faculty Policy Committee

- **Main purpose of the committee** (among other purposes)
 - 1. To serve in a policy-forming and advising capacity in matters governing student conduct,
 - 2. in matters concerning student organizations, and
 - 3. in other matters related to students,
- Although the committee is working on several RFC's, we'd like to highlight three important things we are continuing supporting.

Student-Faculty Policy Committee

- **1. Supporting Removing Voting Barriers for Students**
- Urges all faculty to demonstrate support for students' participation in voting on election day by considering the **national election day** (November 3, 2020)
- when planning course calendars and due dates and
- when considering excused absences, make-up assignments or testing on election day

Student-Faculty Policy Committee

- **2. Food Insecurity Update**
- **Defined:** the limited or unavailability of nutritionally adequate and safe foods, or the ability to acquire such food in a socially acceptable manner.

- **Student Regents on ABOR**
- **Project Direction**

- Study and assess the scope of student food insecurity and housing needs
- Evaluate existing or emerging best practices
- Gather possible additional student data
- Develop possible guidance on campus-based policies
- Work group Participants

Student-Faculty Policy Committee

- **At ASU we have a number of activities work on all campuses including:**
- Adjusting the pantries times and location in compliance with Community of Care
- We are working with the School of Sustainability on a Health Resource Hub for resources
- Expanding our food bank connection and reach to support the other campuses
- Continue to grow our program to match the other state universities

Student-Faculty Policy Committee

- There is request for a research survey if you would like to pass along to your department you can cut and paste the following:
- **Subject: Perceptions of Food Insecurity on Campus - Research Help**
- We are two nutrition professors conducting a research study on perceptions of campus food security. We are looking for higher education staff and faculty over 18, residing and working in the United States, to complete a 10-minute anonymous online survey for a research study regarding food access in campus communities. The two major goals of the study are to...

Student-Faculty Policy Committee

- **3. Looking for Faculty Advisors**
- There is request looking for faculty advisors if you would like to pass along to your department you can cut and paste the following:
- **Office of Student Organizations and Leadership has several Student Organizations that are seeking qualified Primary Advisors**
-
- To enhance the student experience for Arizona State University, a new club advisor model has been implemented in the 2020-21 academic year for over 1,000 student organizations and clubs. Under this model, all clubs will have a Primary Advisor and may also choose to have a Secondary Advisor...
