

Annual Report

University Senate Facilities Committee

April 25, 2022

Chad Kennedy

USCF Open RFCs

RFC-205

- Met with Dr. Olsen (VP and CFO) and Alex Kohen (VP Facilities) regarding existing and new facilities decision making
- Next steps→ Reached out to Alex Kohen's team to set up biannual meetings to communicate faculty, staff, and student facility related feedback via surveys (mid Fall and Spring)

RFC-221

- Met with Erin Ellison (Senior Director, Office of Diversity, Equity and Inclusion) regarding current employee accommodation process
- Next steps→ Following up with Dir. Ellison and Senator Rosalind Sadleir with research and recommendations of potential central funding mechanism and streamline process development.

RFC-228

- Issue raised concerning cheating rings in Canvas between students via the class roster.
- Contacted UTO/ Canvas to set up mock student account for faculty to see if this is being initiated in class by a student. Canvas representatives suggested changes via their "upvoting system" to implement feature.
- Next Steps→ Need better solution than a "maybe upgrade" from Canvas. Will look to elevate conversation of concern with ASU stakeholders and Canvas.

For Next Session

Graduate and Professional Student Association (GPSA)

- Family-Friendly space and resource planning at ASU
 - Drop-in childcare
 - Planning and use of flexible family space
 - Long-term facilities planning
- Will review next year if this is better presented to facilities administration via GPSA or USFC
