

# ASU FACULTY SENATE DONATION DRIVE

**One in four** ASU students deals with food insecurity (uncertainty as to when their next meal may come).

The Pitchfork Pantry is a student-run food pantry that provides food, clothing and hygiene items to students, faculty and staff.

The pantry is located on all four ASU campuses and serves around 2,000 students each month with fresh and nonperishable food items.

## Want to Make a Financial Contribution?

Pitchfork Pantry ASU Foundation page
