Clearinghouse Committee Report: As of April 15, 2013, the Clearinghouse Committee reviewed two (2) Grievance Service Requests that were submitted in the 2012-2013 contract period. These requests were assigned to the Committee on Academic Freedom and Tenure (CAFT). It should be pointed out, however, that the number of requests for grievance services is likely to increase for the 2012-2013 academic year after personnel decisions related to promotion and tenure and probationary reviews are communicated in April, and faculty have a chance to consider their options in the case of unfavorable decisions. All Grievance Service Requests received prior to May 15<sup>th</sup> will be considered 2013 cases and this annual report will be revised.
