

# **University Services and Facilities Committee**

**RFC Number RFC-153**

**Subject: Campus lactation room access**

**11-29-2017 The unit the University Services and Facilities Committee determined the number of lactation rooms available and proposed new requirements in a Memo to Morgan Olsen (4/16/2018)**

**RFC Number RFC-152**

**Subject: Mapping dark zones on campus:**

**11-29-2017 The University services and facilities committee investigated lighting levels of parking lots. Poly-tech campus has been mapped and currently assessing the West Campus. We will continue mapping of parking lot lighting levels throughout the year as the lighting requirements change with season.**

**RFC Number RFC-154**

**Subject: Maintenance and cleanliness issues in restrooms, classrooms and offices.**

**11-29-2017: The USFC is concerned that this seems to be a campus-wide policy. The committee investigated the management details and liaison programs.**
