MESSAGE FROM:

Senate President Donna Cataldo

[More Info](#)

Welcome back to the Spring semester. The new year continues to keep the Senate busy representing our faculty in all areas. We will be heading to USC later this month for the PAC-12 ALC meeting. This February we will also be hosting the Arizona Board of Regents (ABOR) and a key topic of discussion will be student engagement and retention. Academic units will also be holding elections for University seats for senators whose terms are expiring at the end of this semester. Please consider serving as a senator as this is a wonderful opportunity to be involved at shared governance at the university.

And lastly, I encourage you to attend the Spring Academic Assembly this coming January 15th where the 2018 Presidents Professors will be honored. And as always do not hesitate to reach out if you think we can help. Best wishes for a good semester.
