MESSAGE FROM:

Senate President Donna Cataldo

We are well into the Spring semester and with that Senate elections are right around the corner. A call for nominations is the first step of any election and one that ensures every eligible faculty member or academic professional within your unit has an opportunity to be a nominee. I also encourage you to be diligent in the monitoring of your election to ensure your unit holds elections in accordance with your bylaws and follows the Senate's best practices.

 **More Info**

The Senate is ever grateful for the diligent service by each of its current members and I look forward to seeing a new group of Senators elected this spring. Please do not hesitate to reach out to me with any questions or concerns. All my best!
