

Endnote: #1

After Senate approval of Motion 2016-29 the University Provost requested in April of 2016 the following language be added to the motion:

*The RCA committee serves as a review body for policies in the ASU research manual (RSP) and faculty/AP research related topics found in the ACD manual or other manuals at ASU, as well as topics/issues brought to it by the **university provost, the senior vice president for the Office of Knowledge and Enterprise Development and/or the University Senate.***

The Senate President and Student Faculty Policy committee chair reviewed this language and OKED was consulted as well. There was no negative response. The Provost requested language was inserted into the motion and the motion was resubmitted for final approval.
